

Your Neighborhood Computer Support Guys!

Services We Offer to Home Users

Whether your PC is running slow, you need help to connect your home network, you need more space for your digital memories, or you want help keeping your data secure against viruses, spyware and identity theft, We are ready to help you. We offer an extensive suite of services that will help you get the most of your technology.

At Home Services

We come to your home. Sometimes you just need a second pair of hands to get everything working. Our highly-trained technicians can set up, fix or optimize the technology in your home quickly and neatly.

Services

- Home Computer and Networks Setup & Support
- Data Recovery & Backup
- PC & Laptop, Repair and Performance Configuration

Online Remote Services

We can service you remotely - directly through your high speed Internet connection at home or wherever you are! Get help for your PC, network, MP3 player, digital camera and more. Our highly trained technicians can help install, repair, upgrade or even give demonstrations on your favorite technology.

Reliable

HoBITS, Inc. is committed to consistently providing our clients with the highest level of service and product quality. HoBITS, Inc. is a firm believer that the strength of a company is in its people.
